INSTRUCTIONS

Complete an application for each pond. **Mail application, along with a check or money order** to the Dept. of Fish and Wildlife Resources, 1 Sportsman's Lane, Frankfort, KY 40601. The fee structure follows:

0-1.4 acres = \$75; 1.5 – 2.9 acres = \$200; greater than 3 acres = \$200 per pond plus \$150 per acre for each additional acre over 3 acres. Example: 4.25 acre pond would be \$200 + \$187.50 (\$150 x 1.25) = \$387.50.

Applications must be received in the Division of Fisheries office by **September 1** to be included in the stocking program. **Applications received after this date will not be included in the program.**

You will be notified by postcard of the date, time and location of fish deliveries (Bluegill and channel catfish will be stocked in **October** followed by bass in **May** of the following year. This will complete your stockings in this program.

You are responsible for picking up the fish at the designated time and place, and stocking them in your pond. Instructions are on the side of the box in which the fish are delivered in.

Should you receive an excessive number of dead fish, please contact your local Conservation Officer or contact the Division of Fisheries (502-573-0334) to make arrangements for replacement fish.

Sportsmen pay for conservation. The Dept. of Fish and Wildlife Resources is funded through the sale of hunting and fishing licenses. The Department receives no general fund tax dollars.
